

MONUMENT BEACH AMENITIES

GROCERIES

Unfortunately the Grand Union in Monument Beach closed, and there is no major supermarket nearby. Arriving guests should consider stocking up on groceries before the Bourne Bridge.

Cumberland Farms

Sundries can be found at Cumberland Farms in Monument Beach. Turn right on Shore Rd. and go ¼ mi. into Monument Beach. Can't miss it.

Gray Gables Market

Sundries, Dunkin Donuts, deli and beer & wine. Turn left on Shore Rd., 1 mile down on the right.

Larry's Market

A small market in nearby Pocasset has a reasonable selection of food items

“WHISTLE STOP” HOMEMADE ICE CREAM

Some of the best ice cream on the Cape is served right here in MB, next door to Cumberland Farms. If you love chocolate, you'll die for “Death by Chocolate!”

LOBSTER TRAP RESTAURANT AND FISH MARKET

This is on Shore Rd. about ½ mi. before you made the sharp right hand turn into Evergreen Hill Rd. To get there from here, go left as you leave the Point and the Lobster Trap is about ½ mi. down on the left. Or, if you're adventurous, and the tide is favorable, canoe down Back River to the Lobster Trap docks (between the two bridges.) They will boil lobsters for pick-up, and have wonderful fresh fish available at their adjacent retail fish market. Their fried clams are pretty tasty, too!

BREAKFAST

There are 2 good breakfast places very close by. The **Corner Cafe** in Pocasset can be reached by going through Monument Beach and following Shore Road about 3 or 4 miles to the intersection in Pocasset. The restaurant is on the left. It can also be reached by kayaking about a mile and half each way. Follow the shoreline past Monument Beach (at low tide you might have to walk the kayak under the bridge) behind Toby Island, then follow the jetty into Pocasset Harbor. You can park the kayaks next to the bridge and walk a few hundred yards to the cafe.

Hollyberries is just past the Lobster Trap heading towards the Bourne bridge, about a 10 minute walk from the house.

The **Beach Street Bakery** in Monument Beach is also within walking distance of the house.

You'll find brochures, menus, restaurant suggestions, and guides to the latest Cape attractions in the top drawer of the front hall chest or tacked to the bulletin board.
